

FRIPRO (Independent Projects) - Norwegen

03.04.2013 | Fördereinrichtungen/ Kontaktstellen

http://www.forskningsradet.no/prognett-fripro/Home_page/1226994096426

The FRIPRO (Fri prosjektstøtt - engl. Independent Projects) funding scheme provides funding for independent projects in an open national competitive arena on the basis of scientific merit. The FRIPRO funding scheme is designed to promote research of high scientific quality independent of research area and discipline.
