

HFSP - Human Frontier Science Program

02.05.2016 | Bildungs- und Forschungskooperation

<http://www.hfsp.org>

The Human Frontier Science Program is a program of funding for frontier research in the life sciences. It is implemented by the International Human Frontier Science Program Organization (HFSPPO) with its office in Strasbourg.

The members of the HFSPPO, the so-called Management Supporting Parties (MSPs) are the contributing countries and the European Union, which contributes on behalf of the non-G7 EU members.

The current MSPs are Australia, Canada, France, Germany, India, Italy, Japan, Republic of Korea, Norway, New Zealand, Singapore, Switzerland the United Kingdom, the United States of America and the European Union.
