

## International Mathematical Union (IMU)

21.08.2018 | Forschungsorganisationen und Fachgesellschaften

<http://www.mathunion.org/>

IMU is an international non-governmental and non-profit scientific organization, with the purpose of promoting international cooperation in mathematics. It is a member of the International Science Council (ISC), which was created in 2018 as the result of a merger between the International Council for Science (ICSU) and the International Social Science Council (ISSC).
