

Netzwerk der Nationalen Kontaktstellen zum Forschungsrahmenprogramm Horizont Europa

12.05.2022 | Fördereinrichtungen/ Kontaktstellen

 <https://www.horizoneeuropencpportal.eu/>

The network of National Contact Points (NCPs) is the main structure to provide guidance, practical information and assistance on all aspects of participation in Horizon Europe. NCPs are also established in many non-EU and non-associated countries ("third countries").

The portal has been developed as part of the BRIDGE2HE project, which has received funding from the European Union's Horizon 2020 research and innovation programme.
