New Opportunities for Research Funding Agency Co-operation in Europe (NORFACE) is a collaborative partnership of national research funding agencies from 18 countries in the area of social and behavioral sciences.

NORFACE offers opportunities for participating funding agencies by developing common research funding instruments, thus creating opportunities for facilitating and building new networks of research collaboration in the social sciences.

NORFACE is a collaborative partnership of national research funding agencies from 17 European countries. The Social Sciences and Humanities Research Council (SSHRC) of Canada is associate partner and participates in several NORFACE programmes.
