The Archimedes Foundation is an independent body established by the Estonian government with the objective to coordinate and implement different international and national programmes and projects in the field of training, education and research.

The foundation is the implementing body of Erasmus+ and administers several national and international scholarship schemes for improving mobility, marketing Estonian higher education and research abroad.

The evaluation of foreign qualifications is carried out by the Academic Recognition Information Centre (Estonian ENIC/NARIC centre), while Estonian Higher Education Quality Agency carries out institutional accreditation and quality assessment of study groups.
