The Czech Rectors Conference - CRC (Česká konference rektorů - ČKR), established on 28 January 1993, is the association of Rectors of all public all state and some private higher education institutions in the Czech Republic. Its mission consists in dealing with basic questions of higher education institutions, taking up standpoints to these questions and enforcing them in legislative and executive institutions and authorities. The Czech Rectors Conference makes and maintains contacts with Rectors Conferences of other countries and with the corresponding international institutions, above all with the European University Association (EUA).
