8. Internationale Konferenz zur nachhaltigen Entwicklung: ICSD 2020

Zeitraum: 09.09.20 - 10.09.20 Ort: Rom Land: Italien

The European Center of Sustainable Development in collaboration with Canadian Institute of Technology will organize the 8th ICSD 2020 International Conference on Sustainable Development, with particular focus on Environmental, Economic and Socio-Cultural Sustainability.

The Conference theme is: “Creating a unified foundation for the Sustainable Development: research, practice and education”.

The 8th ICSD 2020 will be an opportunity to share ideas and research findings relevant to the Sustainability Science, through the European network of academics. This interdisciplinary forum is for scholars, teachers, and practitioners from any professional discipline who share an interest in - and concern for - sustainability in an holistic perspective, where environmental, cultural, economic and social concerns intersect.

Everyone is invited to submit an abstract in the range of the following streams within the ICSD 2020 program:

- Economic Sustainability: Financial Sustainability, SME, MicroFinance Emerging Countries, International Trade
- Environmental Sustainability: Water and Soil conservation, Healthcare, Renewable Energies, Food and Environmental Legislation
- Socio-Cultural Sustainability: Sustainable Urbanism, Education, Human Development, Psychology, Sociology

Also proposals for paper presentations, posters/exhibits, or virtual presentation are invited.

Further information and a registration link can be found on the website of the European Center of Sustainable Development.
