

## MARESEC 2022: Europäischer Workshop zur Resilienz und Sicherheit maritimer Systeme

<https://dlr.expert/maresec2022>

Zeitraum: 20.06.2022 Ort: Bremerhaven, online Land: Deutschland

The European Workshop on Maritime Systems Resilience and Security (MARESEC 2022) is dedicated to the research on Resilience, Security, Technology and related Ethical, Legal, and Social Aspects (ELSA) in the context of Maritime Systems, including (Offshore/Onshore) Infrastructures, Navigation and Shipping, Autonomous Systems, etc. The intention of this workshop is bringing together researchers to present new results and ongoing projects as well as to exchange experiences and explore possible collaborations.

The workshop will be held in hybrid manner, i.e. virtually and in the north of Germany in Bremerhaven as a one-day event on June 20, 2022.
