Zeitraum: 21.10.2019 - 23.10.2019 Ort: Moskau Land: Russland

The annual Open Innovations Forum has been held in Moscow since 2012 under the aegis of the Government of the Russian Federation and is the key international platform in Russia for discussing global tech trends, sharing experiences, and presenting the latest solutions.

The Forum's main goal is to develop and commercialize new technologies, promote global tech brands and create new tools for international cooperation in innovation. The program includes plenary sessions and themed sessions, an exhibition, educational events, seminars and master classes, innovative shows, business meetings and, of course, informal networking.
