Zeitraum: 10.11.2020 Ort: online

The annual autumn IraSME/CORNET Partnering Event will be held as an entirely virtual event this year, taking place on 10 November 2020, 15.00-17.00 CET via [b2match](#). The event is open to all technological sectors and branches - multi-disciplinary approaches are encouraged to participate. Target groups are companies, associations and research organisations. The Partnering Event offers:

- presentations by the IraSME and CORNET coordination offices, as well as the Enterprise Europe Network
- a tour de table with the representatives of all funding agencies involved
- field reports by IraSME and CORNET project coordinators
- live Q&A sessions
- Online-Matchmaking: 1:1 private video meetings with other participants and potential project partners up until 4 weeks after the event date.

The event is free of charge. After [registration](#), collaboration profiles can be published and meetings with other participants via the video chat system can be booked until December 10th.

More information on the two funding networks can be found on the homepages of [IraSME](#) and [CORNET](#).
