# Russland: HSE - Higher School of Economics: Working Papers zu Wissenschaft, Technologie & Innovation sowie Bildung

https://wp.hse.ru/en/prepfr_SCI

https://wp.hse.ru/en/prepfr_EDU/

Erscheinungsdatum: fortlaufend | Länderberichte und -studien

Currently, the Higher School of Economics (HSE) publishes working papers through its Publishing House and as part of its Basic Research Program. Working papers of the Basic Research Program are issued in 15 of these series and are published online in English.  The series editors make all publication decisions.

HSE's working papers are the university's contribution towards developing the idea of free access to academic research.
