

COVID-19: International Cooperation in STI in the Health Sector in Brazil and Europe

<http://brazil.enrichcentres.eu/index.php?post=4900>

Duration: 02.07.2020 City: online Country: online

ENRICH in Brazil Webinar

The webinar will discuss opportunities for collaboration between Brazil and Europe in the area of Health. Fiocruz (Brazil), Aveiro University (Portugal) and Flomics Biotech (Spain) will discuss how COVID-19 has taken the centre stage and accelerated partnerships. They will also present the case of the bilateral initiative One Health Lab, that establishes the first binational health lab between Brazil and Portugal (Fiocruz and Aveiro).
