Duration: 06.08.20 City: online

iMOVE organises an Online Presentation "E-Learning for India" on 6 August 2020.

Moderated by the iMOVE Team India, five German providers will present their digital learning solutions for interested parties from India as short pitches. All representatives of Indian industry and from Indian educational and training institutions are welcome to join the online event.

With this Online Presentation, we wish to facilitate new cooperation and business partnerships between German training providers and Indian partners.

In 10-minute pitches, the five German providers will present how Indian participants from various industry sectors can adopt new job competencies and qualifications. After each presentation there will be a five-minute slot for questions.

Registration deadline via [e-mail](#) is the 4 August 2020; participation is free of costs.

The event will be conducted via GoToWebinar. One day ahead of the event an email with the login credentials will be sent.
