

Registration

As registered user you can set up your personal email news subscription to receive regular updates about the topics of international cooperation in education and science that concern you and submit your own articles about research and education. You can submit:

- News about internationalization of your organization or international policy-activities
- Events
- Calls, announcements and possibilities for grants

If you have already registered and set up your email news subscription, you do not need to register again to manage your subscription. If necessary, please use the "Forgot your password?" feature on the [login screen](#).

Please note: The username must contain at least 6 characters; passwords must contain at least 8 characters including capital letters, lower-case letters, numbers and special characters. The username must not be included in the password.
