

Baden-Württemberg International: Innovationtalk zu Industry-on-Campus in Baden-Württemberg & Dänemark

<https://www.bw-i.de/e/104>

Zeitraum: 29.06.2021 - 01.07.2021 Ort: online

How can regional innovation partnerships foster innovation outside of the big cities and how can Industry-on-Campus partnerships deliver on the climate targets?

Together with the Innovation Centre Denmark, Baden-Württemberg International takes a closer look on Industry-on-Campus related current developments in both Baden-Württemberg and Denmark.

During the two talks innovative ideas and collaboration opportunities can be discussed with experts.

- Talk 1 on June 29, 2021: Regional Innovation Partnerships as Innovation Drivers outside of the Big Cities
- Talk 2 on July 1, 2021: Collaboration on Green Research and Innovation: How can Industry-on-Campus partnerships deliver on the climate targets?

Further information and the registration links are available on the Baden-Württemberg International website.
