 <https://www.eurekanetwork.org/>

Eureka is an intergovernmental organisation for market-driven industrial R&D. It is a decentralised network facilitating the coordination of national funding on innovation aiming to boost the productivity & competitiveness of European industries. The network integrates over 40 pan-European economies, but also includes Israel, South Korea, Canada and South Africa. Following a bottom-up approach with projects being in any technological area with a civilian purpose, Eureka has been the driving force of innovation in Europe for 35 years.
