

## Invest Lithuania - Litauische Entwicklungsagentur

25.04.2014 | Regierungseinrichtungen

 <http://www.lida.lt/>

Invest Lithuania is a Lithuanian government agency that provides free advice and introductions to on the ground experts to global companies interested in doing business in Lithuania. The agency serves as a point of contact for foreign companies and guides international businesses through every step of the process of setting up operations in Lithuania. Invest Lithuania also provides information on Lithuania's highly-skilled yet cost-competitive labour force, tax incentives, and financing options.
