The Ministry of Education, Culture and Science works to create a smart, skilled and creative environment in the Netherlands. Its mission is to ensure that everyone gets a good education and is prepared for responsibility and independence.

The Ministry has the following objectives:

- To ensure that everyone gets a good education
- To ensure that everyone is prepared for personal independance and responsibility
- To ensure that everyone has the opportunity to experience and enjoy culture
- To ensure that teachers, artists and scientists are able to carry out their work.
