

Republik Korea (Südkorea): KIC Europe – Korea Innovation Centre Europe

23.07.2018 | Bildungs- und Forschungskooperation, Fördereinrichtungen/ Kontaktstellen

 <https://kiceurope.eu/>

The Korean government has recently been promoting the internalization of national researchers, venture companies and SMEs to the world. To achieve an on-site continuous dialogue of greater reciprocity between Korea and EU, KIC Europe as the systematic collaborative infrastructure was established in Berlin, on 16th of March, 2017.
