

Thailand: Industrieministerium

30.08.2023 | Ministerien

 <http://www.industry.go.th/industry/index.php/en/>

The mission of the Ministry of Industry is:

- to promote and cultivate entrepreneurs' strength and competitiveness in the global market
- to improve and develop the industrial ecosystem to facilitate the transformation towards Industry 4.0
- to promote environmentally friendly production in the industrial sector
- to coordinate and integrate the works of related organizations, both internal and external, to achieve common development goals.
