

## 13. IIFME - Internationale Erfindermesse im Nahen Osten

<http://www.iifme.com/>

Zeitraum: 12.02.2023 - 15.02.2023 Ort: Kuwait City Land: Kuwait

The International Invention Fair in the Middle East (IIFME) has a well established tradition. The first one was held in 2007, and since then, IIFME has been raising the bar higher and today IIFME is one of the largest specialized exhibition of inventions in the Middle East, with the participation of more than 43 countries from all over the world, 1,559 inventors, 1,745 inventions. The 13th IIFME organized by the Kuwait Science Club will be held on February 12 - 15, 2023 at Al-Raya Conference Hall, Kuwait City.

IIFME will be focused on the recent advanced inventions and technologies in the following fields: for example, mechanical and industrial tools, computer science, civil engineering construction, electronics, agriculture and gardening, teaching methods, aviation, motor vehicles, alternative energy, medicine and many more.
