

Aml-10: First International Joint Conference on Ambient Intelligence

www.ami-10.org

Zeitraum: 10.11.2010 - 12.11.2010 Ort: Malaga Land: Spanien

The Aml-10 conference brings together researchers and practitioners from industry and academia working in the field of technologies and applications of Ambient Intelligence. Ambient Intelligence represents a vision of the future where we shall be surrounded by invisible technological means, sensitive and responsive to people and their behaviors, delivering advanced functions, services and experiences. Ambient intelligence combines concepts of ubiquitous technology, intelligent systems and advanced user interfaces putting the humans in the center of technological developments.
