

## WATEC 2018 - Konferenz und Messe zu Wassertechnologie und Umweltkontrolle

🔗 <http://www.watecitaly.com/>

Zeitraum: 24.10.2018 - 27.10.2018 Ort: Cremona Land: Italien

The Water Technology and Environmental Control (WATEC) Exhibition & Conference 2018 is scheduled to take place in Cremona, Italy, October 24 – 27, 2018. This year conference will cover "Water Management in Livestock and Product Processing Sectors".

Topics will include:

- Cattle Hygiene, health and safety
- Feed Production
- Dairy and meat processing
- Tanneries
- Waste Management

Discussions will be led by experts from industries, academia and administrators.

WATEC Italy 2018 is an initiative aimed at promoting cooperation between both Italian and International companies that will also foster the interaction between the private sector and the public one.

Exhibition Area: Companies will showcase innovative technologies that can be used in Irrigation, Rural Development, Livestock and food processing industries.
