Zeitraum: 03.02.2023 Ort: online

The "Info Day and brokerage event" is organized by the AI, Data and Robotics Association (Adra) and will be held online on Friday 3rd February from 9:30h to 13:00h CET.

During this online event, the European Commission will present the Horizon Europe calls open in 2023 that concern AI, Data and Robotics. There will be the opportunity to ask questions about the topics presented. Additionally, there will be a brokerage session, where you are invited to present a short pitch for a project idea, or specific expertise you can offer a consortium planning to prepare a proposal.
