European Science Technology and Innovation Landscape

FREE WEBINARS

Discover the land of ideas: The German Research and Innovation landscape

4th December

14:00-15:00 CET | 10:00-11:00 GMT-3

From the fuel cell to the MP3 player, German inventions have changed people's lives. At the same time, research and innovation (R&I) are what keep a successful economy going and Germany is one of the world's top investors in R&I. The webinar shows who is behind this: universities and research institutes, Federal and state institutions and companies committed to R&I. Enjoy discovering the German R&I landscape!
