

# German High Tech Champions Competition

## Lightweight Design

Research in  
Germany  
  
Land of Ideas

[www.research-in-germany.de](http://www.research-in-germany.de)

## Market Your Innovation!

If the results of your applied research in the field of **Lightweight Design** (e.g. materials, processes, design, production, damage tolerance & repair, material cycle & recycling) deserve international attention, you should enter the German High Tech Champions competition.

Kick-start your international marketing campaign today with the support of GHTC®!

## GHTC® – Let's Talk Business

- What is unique about your technology?
- What are its advantages in comparison to the status quo?
- Can you give an estimate of the required investment for implementation?
- How can a potential customer in Japan benefit from your innovation?

## The Competition at a Glance
