

CALL PRE-ANNOUNCEMENT

BMBF-TÜBİTAK Intensified Cooperation (IntenC): Support of German-Turkish Research Projects

The present document is a pre-announcement of the joint bilateral research call for Intensified Cooperation (IntenC): Support of German-Turkish Research Projects

WHO CAN APPLY

Only research teams from Turkey and Germany are eligible for funding, unless otherwise specified in national rules of funding agencies which will be published on the official launch of the joint call.

WHY A PRE-ANNOUNCEMENT

It aims at giving sufficient time to research teams to prepare good proposals and submit them on time.

THEMES AND SCIENTIFIC SCOPE

Preference will be given to the funding of new concepts and measures in the following areas:

- Development of joint research strategies and establishment of joint working groups
- Expert events / workshops with the aim of establishing lasting networks and partnerships
- Integration of bilateral partnerships in European networks through joint project proposals under European Research Framework Programmes such as Horizon2020.

Thematic areas are

- Key Technologies
- Global Change
- Social Sciences and Humanities for Societal Challenges

ACTIONS ADDRESSED

- Mobility measures in the context of a joint research project
- Feasibility and pilot studies within the context of a joint research project
- Bilateral workshops in the context of a joint research project
- Joint research projects, in preparation also for further cooperation under national or European research programmes

IMPORTANT DATES
